ADDING SUSTAINABILITY TO THE APTUS DNA

Our mission is to offer 100% of our products as part of our eco range. We've already made huge leaps towards this goal, and in 2023 we're going even further.

What's a sustainable uniform without a P.E. kit to match?

Available for 2023, our entire APTUS brand is making the transition to sustainable fabrics, using recycled polyester to construct our much loved sportswear garments. Products from both APTUS Essentials and Performance will still have the same quality look and feel but now, collectively with our eco uniform, **they'll keep us on track to prevent 50+ million plastic bottles from landfill by 2025!**

Our APTUS garments were designed to inspire students of any age, gender and body type to get involved with school sports with confidence. While this remains the core motivation for our APTUS ranges, the transition to eco fabrics reflects our dedication to doing the right thing for the planet and future generations.

APTUS ESSENTIALS JUNIOR

PERFECT FOR PRIMARY

Our mission to provide an inclusive and diverse range of sportswear meant making sure our core APTUS Essentials items are available in sizes perfect for younger students.

The APTUS Essentials Junior collection provides a perfect solution for primary schools looking for a new stylish PE kit that students will not only look great in but will want to wear.

With its contemporary design aesthetic, the Junior Collection comprises four key garments; a S/S Training Tee, Training Shorts, Training Pants and a Full Zip Training Top. These garments combine modern design with functionality and co-ordinate to create a complete head to toe look matching APTUS Coolmax Socks (featured on page 43).

Thoroughly researched and designed in-house, the Junior Collection boasts carefully balanced flashes of colour with contrast colour panels and binding, and hints of silver reflective details to create smart contemporary garments and a perfect look to suit all budgets.

APTUS ESSENTIALS

SENIOR COLLECTION

Our APTUS Essentials senior collection caters for secondary school students with garments designed to encourage older students to get stuck in with school sports.

The senior range offers additional items such as our Essentials Skort and Multisport Shirt to create a versatile sports kit for older students.

Sharing the same APTUS DNA, the Essentials range can be co-ordinated with our Performance range. Access to both collections allows customers to find the perfect balance between technicality and functionality.

APTUS PERFORMANCE

Built on a need for superior sportswear garments in the educational market, APTUS Performance provides students with a high-class experience based on Quality, Performance and Innovation.

QUALITY

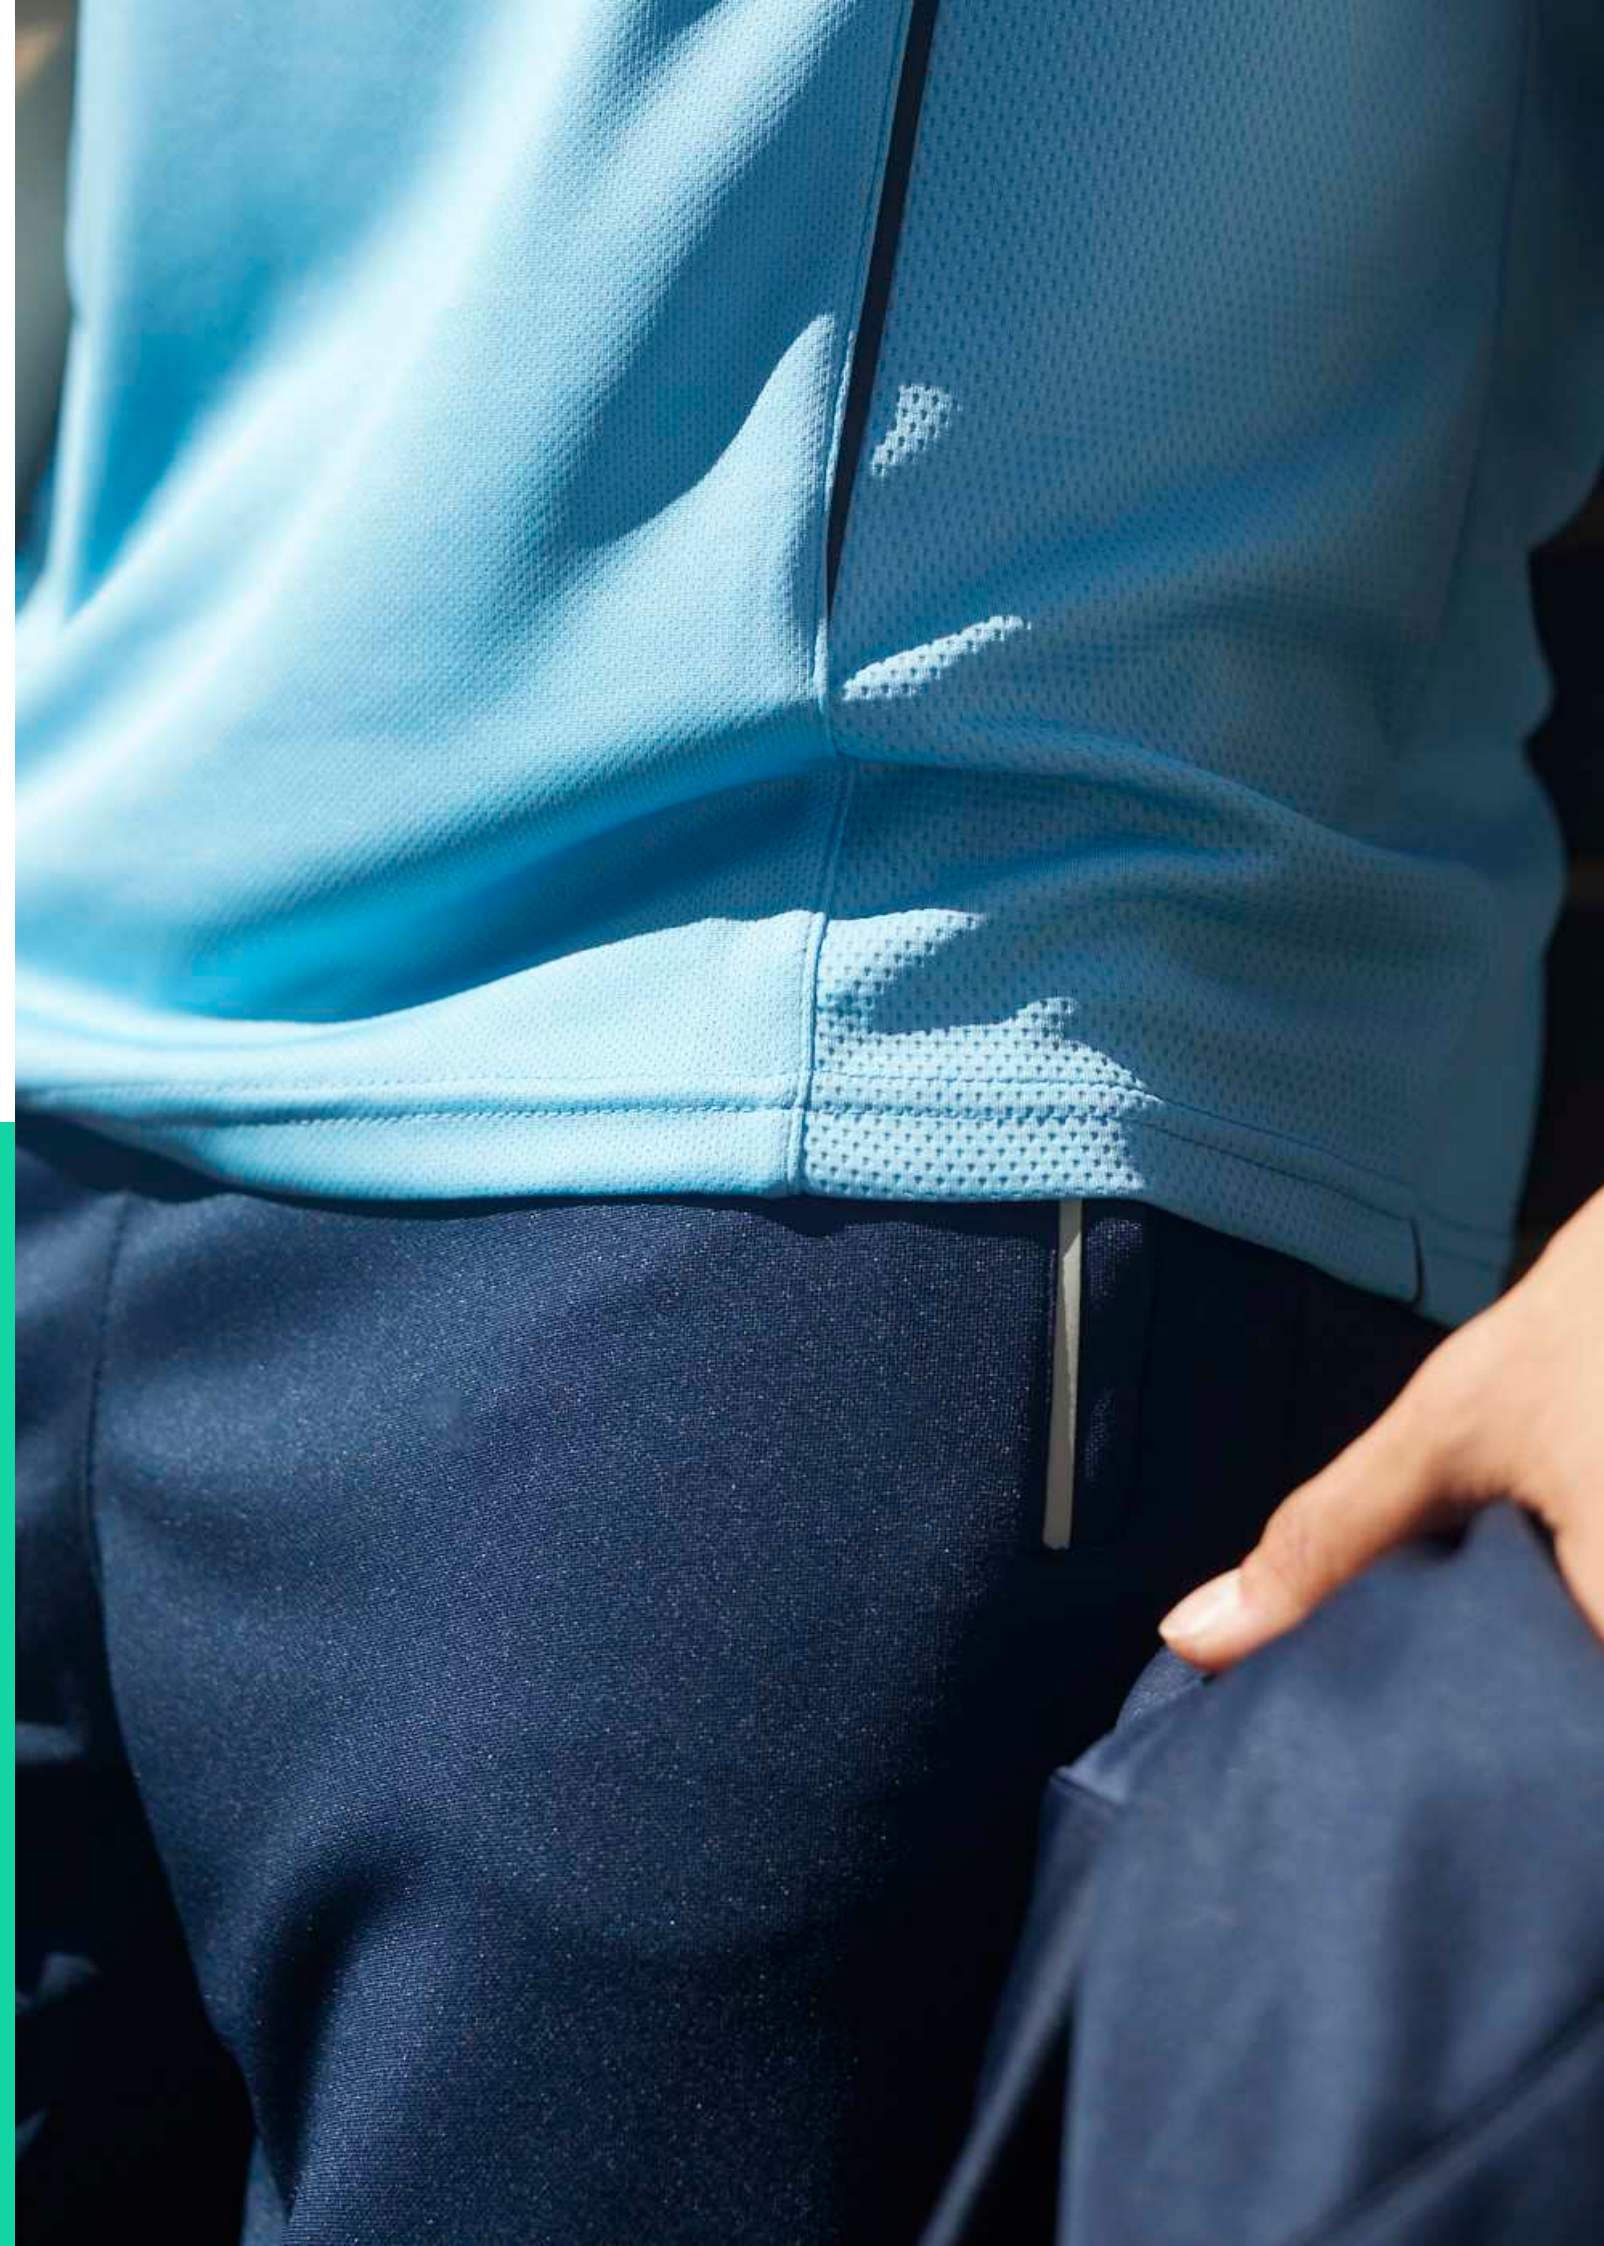

Meeting the diverse requirements of the modern day student and P.E. teacher – every garment has a stylish aesthetic and overall distinctive look, no matter the activity.

PERFORMANCE

Designed with a combination of lightweight breathable fabrics along with 3D dimple mesh panels, all garments are created to be comfortable and effective in physical activity.

INNOVATION

To ensure that we stay at the forefront of sportswear technology, we use our partnerships with schools combined with insights from students, teachers, fabric specialists and product professionals to vigorously assess our pursuit for performance innovation.

APTUS FOR GIRLS

Our female specific range was created in close consultation with female PE staff and students to design garments that contour with the body during activity, forming flattering silhouettes.

Head of Design, Emma Connelly states 'the central concept behind our female range was to encourage girls to participate in sport at school with clothes that flatter, boost body confidence and actually perform'.

The female leggings have been well received by schools along with the training top that has a hidden cord in the seams to allow the top to be adjusted in length to fit the comfort of all body types.
